# Shelter Update Midway

**W**e are halfway through the shelter season and as the weather gets colder we anticipate our shelter guest numbers to increase. In the last several weeks our nightly average served has been approximately 22.

While we have been over our 25 per night maximum capacity only three times, we have seen our weekly shelter guest numbers served up considerably from last year (total number of different individuals served during the week).

In the 2013-2014 season, we served a total of 87 different individuals. This year, only 9 weeks into the season, we already have served a total of 80 different individuals. The increase in numbers required COFM to purchase additional bedding items.

We continue to refer guests to other services in the community, which has helped keep our shelter numbers stable.

We are pleased to announce two new resources for guests: an

ability to use General Delivery mail service and daytime warming stations located at JCC Rec Center and the Human Services Center lobby on Olde Towne Road.

As we move into the second half of the shelter season we continue to count our blessings for the endless dedication of volunteers who are serving those who find themselves without a home.

## COFM Donations Now Can Be Made Through PayPal!

Donations are now possible on our website using PayPal! All donations go toward operating costs, such as replenishing supplies like bed linens and towels and maintaining the "God Pod" trailer. Go to [cofm.info](http://cofm.info) and click on "Donations." Thank you!

# We Joined Together for Christmas Week

**T**hank you to one and all for a successful Christmas week!

It took one church facility, several congregations, many volunteers, and a ton of food, but with everyone pitching in, we were able to shelter and feed 38 individuals during the week of Christmas. Overall, we averaged 20 guests per night during the week.

Many, many thanks to the congregations and volunteers who welcomed our guests, cooked and

cleaned up, and spent the night so that those without shelter in our community had a warm place to sleep.

We want to particularly thank Williamsburg Christian Church and Pastor Fred Liggin for generously providing the host facility for the week, and Temple Beth El for being the key leader on both Dec. 24 and Dec. 25.

We could not have done it without you!
